# Fresh, new music

Here at Lovesongs247, we pride ourselves on planning a wide cross-section of music that spans many genres and generations.

Whether it is music from artists that occupy current chart positions or artists from various decades that are instantly recognizable just from the first few beats of their songs, Lovesongs247 embraces the diversity of new and existing artists whilst also playing the music we all love.

This month we feature a number of new artists, including the two we've featured below.

## Jack Savoretti

Aged 33, Jack Savoretti is an English-Italian solo acoustic singer who has released four studio albums between 2007 and 2015.

Born in London and then having moved to the Swiss city of Lugano near the Italian border he ended up studying at The American School in Switzerland where his first love was poetry before his mother suggested he put the words to music.

Releasing his first single "Without" in 2006, he was then spotted by Corinne Bailey Rae and invited to perform with her on her European tour whilst his album gained support through being on the playlist of Radio 2.

Fast forward to 2015 and he appeared on The One Show to perform his single "Home" from his fourth album "Written in Scars" released in February 2015 and followed up by a sold-out headline UK and Ireland tour.

His latest album "Sleep No More" has just been released on 28<sup>th</sup> October 2016.

## Tor Miller

Born in 1994, Tor Miller is an indie pop singer from Brooklyn, NYC in the United States. Citing his earliest inspirations as David Bowie, Elton John and Fleetwood Mac, he began his music career by learning to play the piano and from there started singing and writing songs.

During high school he started a pop-punk band and then headed for New York University to continue his music studies.

After signing to the independent label Glassnote Records in early 2014 his first debut EP, "Headlights EP", containing four songs was released in February 2015 and his debut album "American English" was just released on September 30<sup>th</sup> 2016 and he will be commencing a tour of the UK from November.

## Calling new artists

Here at Lovesongs247, we want to be the website to help you launch your career and have recently introduced a new platform for 'new music'.

We're all about great music and we know that great music is not always by signed artists.

We encourage new artists or bands who want some airplay to get in touch with us, and send us their mp3s to [contact@lovesongs247.com](mailto:contact@lovesongs247.com)

We then have a listen and if we like the music then we could be playing you on Lovesongs247.

We play new tracks several times a week, depending on how great the demand is – and how many new tracks we receive!

**Lovesongs247 broadcasts 24 hours a day, seven days a week.**

**We play music from every decade, so you'll be sure to find the music you love.**

**It's the station to listen to if you love songs.**
